**All required standards, regulations & legislation included within this training are verified up to & including the above date.**

In line with legislation, this training does not expire. It is your agency or employer responsibility to make sure that you are always up-to-date with the core subject. It is recommended that you redo the training every two years or sooner if a lack of knowledge or competence is identified related to the subject. This training is specific to the children's home sector.
